Back-Ideen Artikelnummer:	578750, 578760

Basierend auf den uns vorliegenden Erklärungen unserer Produzenten erklären wir:

Food Contact Ability for Non Slip Paper ASP-2001 AntiSlip-Paper

Reference of Text:

- Amend order of 14/09/92, directive adaption 90/128/CEE
- Texts which were gathered in the booklet n° 1227 from the Journal official de la République Francaise
- Resolution from Conseil de l'Europe AP(96)5 and its mofication about coating
- German texts
- Positive American list
- Constituents of non slip sauce are noted in the different German and European texts relating to the raw material used for food contact.

Depending on the basic paper, the food contact is different:

- Brown non slip Paper 65gr/qm:
Food contact for dty, damp and fatty products
- Brown non slip Paper 100-270gr/qm:
Food contact for dty, damp and unfatty products
- White non slip Paper 80gr/qm:
Food contact for dty, damp and unfatty products
