**DECLARATION OF COMPLIANCE WITH REGULATIONS ON MATERIALS AND ARTICLES INTENDED
TO COME INTO CONTACT WITH FOOD**

I, the undersigned Nadia OUCHEN
SASA DEMARLE GROUP
59360 LE CATEAU CAMBRESIS

Acting in his position of: Human Resources Director

Hereby declares that the material and/or article referenced by the customer as follows:

- **BAKING TRAY WITH INFINIUM® 6001 COATING (FIBERMAX®)**

and characterized as follows : metal support of stainless steel with silicone coating fiberglass (*characteristic components, from the inner to the outer layer*)

complies with the requirements of :

- Framework Regulation (EC) N° 1935/2004 du 27/10/2004
- French regulation in force concerning materials and articles intended to come in contact with food, that is to say decree N° 2007-766 of 10th may 2007, amended by the decree n° 2008-1469 of 30th december 2008.

The compliance of the material and/or article as described above is determined according to the regulatory texts and/or other reference texts:

- European Regulation (EC) N° 10/2011 modified by regulation (UE) 2018/213 of 14/02/2018
- French Decree of 25/11/1992 concerning materials and articles in silicone intended to come in contact with food stuffs.
- French Decree of 13/01/1976 concerning materials and articles in stainless steel intended to come in contact with food stuffs

The material and/or article referenced above, under normal and foreseeable conditions of use which are not causing any unacceptable change in the composition of the food product, is suitable for:

- The contact with all type of food products and especially dry bakery products, biscuits and pastry fresh and dry with fat surface
- The contact with frozen products : - 40 °C
- The heat treatment including cooking : 260 °C
