

DECLARATION OF CONFORMITY

KEEPLASTICS AB

Fredriksdalsgatan 16
SE-602 23 Norrköping, Sweden

Herewith, we declare that the produced pastry piping bags, known under the product name **BÄKO Premium Spritzbeutel**, made of pure polyethylene (PE), are manufactured in conformity with the requirements for materials in contact with foodstuffs as laid down in the Swedish Food Act (SFS 2006:804), the EU Regulation (EC) No 178/2002, the Food Decree (SFS 2006:813), and Regulation (EC) No 1935/2004. This material is categorized as LDPE 4 according to Directive 97/129/EC.

Furthermore, we confirm that the above-mentioned product complies with the applicable requirements of Regulation (EU) No 10/2011, up to and including the amendments in Regulation (EU) 2023/1442 on plastic materials and articles intended to come into contact with food. Additionally, we hereby confirm that the product is GMO-free and no ionizing radiation is used during its production.

Proposition 65 (August 11, 2023) – List of chemicals known to the State of California to cause cancer or reproductive toxicity: No warning labels are required for this product.

This compliance statement is based on information provided by our polyethylene suppliers, migration tests performed and the fact that the product is manufactured in accordance with the Normpack Norm.

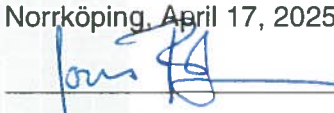

As a downstream user of chemicals, Keeplastics AB acknowledges its obligations and responsibilities under **REACH**. Keeplastics AB commits to complying with the **REACH** Regulation (EC) No 1907/2006, Directive 2008/98/EC of the European Parliament and of the Council of December 12, 2008 (replacing Directive 2006/12/EC), and the CLP Regulation (EC) No 1272/2008.

STATEMENT ON SUBSTANCES OF VERY HIGH CONCERN (SVHC)

We certify that no substances listed in the ECHA candidate list of Substances of Very High Concern (SVHC) for authorization, updated on January 21, 2025, are present above 0.1% by weight in Keeplastics AB's produced pastry piping bags, known under the product name **BÄKO Premium Spritzbeutel**.

This Declaration applies to the product specified above and is valid for 1 year from the date of issue. Supporting documents are available and can be disclosed to the competent authority upon request. An updated statement will be provided if the information on which this declaration is based changes or if regulatory requirements affect its validity.

Norrköping, April 17, 2025
